

NOVAE EPISTULAE

#RosaryFighters

Dear friend and supporter,

During the tragic Charlie Gard situation , we wanted to launch a prayer campaign called #RosaryFighters.

We invite to take part in it and send us your data and your friend or relative's data, any person who wants to take part as well.

#RosaryFighters is a bold and brave initiative that is inspired by an important statement by Saint Joan of Arc:

“When the enemy seems to prevail on the battle field, when fighting strategy seems to push backward the troops, carry on the battle in a different way: multiply the good points, fighters must remain united, make the insurgency strong and annoying. Find again the spirit of being a group, a body, keep people together fraternally, don't miss the occasion to hit the enemy heart light and lean. To us the battle, To God the victory. “

The greatest battle that we can fight is prayer, we truly want to make the mutual commitment to pray a rosary daily.

#RosaryFighters who will take this commitment to pray and act, according to each one's vocation, to everyone's life, they will feel part of a group of people who together pray the most powerful instrument we have: the Rosary.

Only brave, strong and tenacious people can take up this task and this mission. This is an action that can bring together people, encourage them, accompany in life.

Join the #RosaryFighters, send us your email and the name of a friend or another family member who wants to join us too.

#RosaryFighters is a daily FNT initiative for praying to the santification of world to Holy Virgin Mary

We want Novae Epistulae, FNT news letter, to become weekly. It is urgent and necessary your **monthly donation**.

Thanks for your attention.
