

NOVAE EPISTULAE

A Gift for Christmas

Dear friends,

Thank you and Merry Christmas! We have together served a good cause, actually one of those good causes that is not a temporary fashion.

A good cause for our friends in Aleppo in order to give them the possibility to meet up and celebrate together in the Cathedral of Virgin Mary, under Her cloak, under the vaults of the beautiful Cathedral.

Isis has destructed the building making it the symbol of desperation and violence.

All of us, we want to give a little gift, our gift for Christmas to rebuild the House of Mary in Aleppo.

What we want to carry to the cave of Bethlehem, together with the shepherds and

the three Magi, is what we can. Someone will give 10, some others 30 or 50, other people will donate 500 or 1000.

DONATE

Someone a cloak, some others bundles of wood or gold and myrrh.

Generosity is measured by the heart, real possibilities and the courage of doing something.

We received the best gift, Jesus Son of God who became man, so without embarrassment let's donate to our friends in Aleppo.

Our Christian Christmas, very different from their one, brings us together. We are all equal in front of the Man who came to save us.

We collected all the gifts done during the novena in honor of the celebration of the Immaculate conception, we will collect all the Christmas gifts in these last days and then at the beginning of the new year we are going to send them all to our friend the Archbishop Jean Jeanbart.

Thank you all and Merry Christmas, let's make a little gift to the children, young people and adults at the Christian community in Aleppo, let's give them back not a normal house, but Virgin Mary's home where they can meet together next year.

Thank you for your prayers and attention and...

Merry and Saint Christmas!
